

CCA MIDDLE SCHOOL SUMMER READING 2019-2020

5th	• <i>Chronicles of Narnia - The Lion, The Witch and The Wardrobe</i>
6th	• <i>Mysterious Benedict Society</i>

Project for 5th: BOOK IN A BAG

Decorate the outside of your bag (grocery bag or gift bag). On the outside of your bag, include your name, the book's title and author, and your favorite quote from the book. Choose 5 items related to the characters or action in the book and include them in the bag. These must be actual items, but cannot include real food. Do not use photocopied pictures of items, although you can be creative and construct the items.

Write a 60 word paragraph for each item in the bag, explaining how the item relates to the character or action in the story. You should have one paragraph for each item (five paragraphs/300 words).

Project for 6th: SENSORY COLLAGE

On a large poster board, display items which you believe best describe the novel's characters (at least 2) **and** actions (at least 3). Since this is a SENSORY COLLAGE it should appeal to at least 3 of the 5 senses and utilize a variety of materials, objects, drawings, photos, etc. to convey the novel's characters and events. No writing or printed/photocopied pictures should be on the collage.

For each of your chosen characters and actions, write a 100 word explanation telling why you chose the sensory materials. This explanation should relate to and show the importance of the characters and actions. Your paper will consist of 5 paragraphs, each approximately 100 words for a total of 500 words.
