Parent/guardians for non-public transportation:

As we approach the end of the 23/24 school year, we would like to give you a friendly reminder that starting in May for the 24/25 school year the non-public transportation form will be available. You must complete the form for each student as you have done in recent years. Each form must be filled out correctly for each student attending a school.

The form will be available for the 24/25 school year in May and will be taken offline July 1st. To ensure transportation for your student(s) on their first day of school the form must be completed by July 1st. The form will not be available again till August. If you missed the deadline in July transportation on the first day of school is not guaranteed. We will reach out to the parents with bus information once we have it processed. If you have filled out the paperwork before the July deadline you will receive a bus pass in the mail come August, those who fill out the form in August will get a phone call from the transportation department. If you have any questions, please reach out to the transportation department 440-975-3736.

Hope everyone has a great rest of their school year and enjoy your summer break.
